Dear Colleagues,

I just wanted to let you know that our proposal for MPSA was accepted.

I have not heard back from you regarding the comments we received from our colleagues at Pitt, so I assume we can talk about this --and other issues-- after Eric's presentation in Houston in mid or late November.

Hope all is well!

All the best,

Alejandro

Subject: RESPONSE REQUESTED: Your MPSA 2015 conference proposal has been accepted!

To: trelles33@gmail.comTo view this email as a web page, go [here](#).

Congratulations!

The 2015 Program Committee has accepted your offer to serve in the following role at the 73rd Annual MPSA Conference at Palmer House Hilton in Chicago, IL (USA), April 16-19, 2015:**Section:** Information Technology and Politics**Session:** Panel - Big Data and Text Analysis

Submission ID: 141905

Your Role on the Session: Paper - The Effects of Automated Redistricting and Partisan Strategic Interaction on Representation. The Case of Mexico - Micah Altman Eric Magar Michael McDonald Alejandro Trelles

Important Note: You must be logged in to www.MPSAnet.org to access the proposal system. Once logged in to the site, look to the top menu bar to click on Conference > MPSA 2015 Conference > Check Proposal Status. As a reminder, your username at MPSAnet.org is LuisTrelles

Please take a moment today to confirm or decline your participation in the following role by logging in to the MPSA website to [Check Proposal Status](#).

You will receive a separate email for each offer to participate in the conference - even if you have more than one role during the same session (e.g., chair and discussant). Please be aware that you may receive acceptance notifications on different days.

You may participate in up to three roles at the conference: presenting papers on no more than two panels, JSS or poster sessions (only one of these may be single author) and in one chair or discussant role. If three or more of your paper proposals are accepted, you must choose which two you will agree to present. Individuals not presenting may still serve as a chair or discussant for up to two sessions. Roundtables and Author Meets Critics do not count toward participation limits.

Once logged in you will be able to view the complete session by clicking on the magnifying glass in the first column next to this submission. You may then either confirm or decline this offer to participate by clicking on the button in the sixth column and selecting the correct response. Each offer to participate in a session must be accepted or declined individually once you have logged into the account.

CONFERENCE REGISTRATION

Conference registration will be open in a few weeks. Please remember that at least one author on a paper must register for the conference by March 2, 2015 or the paper will be removed from the program. MPSA members pay a much lower conference registration rate. Plus, members who purchase an electronic membership (no print AJPS), automatically get a second year of membership free. Membership begins the month you join and includes a subscription to the American Journal of Political Science and access to numerous benefits online.

ACCOMMODATIONS

Hotel rooms are available at both the Chicago Hilton and the Palmer House, and rates are slightly lower at the Chicago Hilton. If you are not a registered guest at one of the conference hotels, your conference registration rate will be higher. The Chicago Hilton charges the same rates for double occupancy as single occupancy, so if you have a roommate, this is an affordable option. The less expensive rooms sell out quickly! [Please visit the MPSA website for more information on hotels.](#)

VISITOR VISA INVITATIONS

If you reside in a foreign country which requires a visa letter for entrance into the United States, a letter has been automatically generated and will be sent to you from the MPSA office in the coming days.
